

Aluminum Profile for Strip Lights

HB-XT-2310B

Key Features

- Slim 10mm height for low-profile installs
- Wide 23mm channel fits double-row LED strips
- 6063-T5 aluminum for durability & heat dissipation
- Milky white diffuser for smooth, dot-free lighting
- Surface or recessed mounting with accessories

Application:

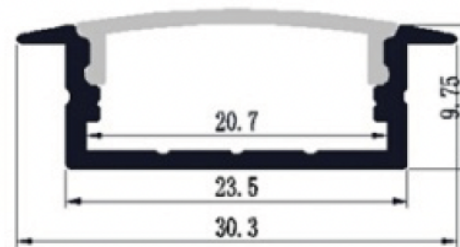

- Under-cabinet lighting in kitchens, offices, and workspaces
- Shelf and display case illumination for retail and residential use
- Cove and accent lighting for walls, ceilings, and furniture edges
- Double-row or high-output LED strip installations thanks to 23mm wide channel
- Commercial and architectural projects requiring sleek, modern linear lighting
- Wardrobes, showcases, and cabinetry for a clean integrated light effect
